Leticia Almaro Nicolini: A Journey of Resilience and Excellence

Leticia's inspiring story began in Mexico City, where she was born and raised. At the age of 10, her family immigrated to the United States with little more than a dream and determination to succeed. After earning a Bachelor of Science degree in Accounting from USC, Leticia built a successful career in technology and business management before transitioning to real estate in 1993.

For over 30 years, Leticia has been a trusted advisor in Walnut Creek and the broader East Bay region, which includes cities along the eastern shores of the San Francisco Bay and San Pablo Bay, as well as thriving inland communities. She specializes in:

Senior Consulting and Retirement Real Estate Solutions

Probate Sales and Certified Distressed Properties

1031 and Reverse Exchanges

First-Time Homebuyers and Relocation Assistance

Leticia credits her recent success to the tools, resources, and innovative systems available at Partner Real Estate.

“Joining Partner Real Estate has been the best decision of my career,” Leticia shared. “With the support of a forward-thinking team, I’m able to provide unparalleled service to my clients in Walnut Creek and throughout the East Bay, offering guarantees, cash offers, and stress-free experiences that consistently result in 5-star reviews and referrals.”

A Legacy of Leadership and Community Impact

Leticia has spent nearly two decades volunteering with the Contra Costa Association of Realtors, serving in roles such as Ethics Advocate, Ombudsman, and Professional Standards Panel Chair. Her certifications, including Graduate Realtor Institute (GRI), Seniors Real Estate Specialist (SRES), and Probate Certified, reflect her deep commitment to continuous learning and client advocacy.
