Dr. O'Neill is a Board-Certified Ophthalmologist with advanced subspecialty training in cataract and refractive surgery. A native of Southwest Florida, he is committed to providing world-class care to his patients, helping them achieve excellent outcomes using the latest technology.

Dr. O'Neill completed his doctorate with honors at Lake

Erie College of Osteopathic Medicine, followed by an internship and residency at the Philadelphia College of Osteopathic Medicine, where he served as Chief Resident. He completed a rigorous

fellowship in cataract and refractive surgery at The Eye Institute of West Florida. View his complete bio [here](#).

"I'm really excited to join Collins Vision, which has such a wonderful reputation in Southwest Florida for both excellent patient care and for providing the most advanced technology and treatments for improved vision," said Dr. O'Neill.

When he's not building relationships with patients in the clinic or in surgery, Dr. O'Neill stays active with his wife and two young daughters. In true Southwest Florida style, Dr. O'Neill loves boating, fishing and being outdoors with family and friends. "Sunshine and water are so therapeutic. I wouldn't want to live anywhere else!" he said.

The Collins Vision team, led by Dr. Michael J. Collins, Dr. Jason C. Friedrichs and Dr. Bradley O'Neill, provides comprehensive eye care including [cataract surgery](#), LASIK vision correction surgery, oculoplastic surgery, glaucoma evaluation and surgery, retina evaluation and treatment, diabetic eye exams and regular medical eye exams. The practice also has a large selection of frames in their optical boutiques.

With locations in Fort Myers, Naples, and Punta Gorda, Collins Vision has been Southwest Florida's trusted eye care provider since 2004. More information, including office hours and directions, is available at collinsvision.com.
