

Rachel DeeLynn Unleashes Bold New Anthem 'CAN YOU HEAR ME NOW?'

Clinetel Records Sony artist takes on worldwide radio the week of January 7th and all streaming platforms on January 17th.

NASHVILLE, TN, UNITED STATES, January 8, 2025 /EINPresswire.com/ -- [Nashville based rock artist Rachel DeeLynn](#) is back with a seismic new single, "CAN YOU HEAR ME NOW?" — a high-energy, anthemic track that's as defiant as it is empowering. Known for her commanding vocals and unapologetically tell-all songwriting, DeeLynn's latest release scorches its way through the modern music scene, demanding not just to be heard, but to be understood.

In this explosive track, DeeLynn delivers a raw, gritty vocal performance with unique emphasis and inflection in each line. With powerful, infectious guitar riffs, driving drums, and a chorus that hits like a shot of adrenaline, "CAN YOU HEAR ME NOW?" is a call to arms for anyone who's ever been silenced or ignored. The track's electrifying energy is matched only by DeeLynn's lyrical ability to twist bone-deep pain into a lasting legacy that incites positive change and hope in others.

"...She's a formidable talent with a penchant for dramatic vocals and biting lyrical content." says Chadwick Easton of Melody Maker Magazine. "There's a clear commercial slant to the songwriting and presentation. It's never crass, and no sensible listener will begrudge her aspirations. She wants success, and she'll get it- on her terms. This is a major league talent at the beginning of their voyage in the spotlight, and we can be confident that her songs will provide an account of every twist and turn ahead."

DeeLynn's musical journey has always been marked by her innate ability to captivate her audience with authenticity and a fearless approach to telling the whole truth- the good, the bad,
