

Source Logistics opens new facility in Laredo, Texas, to meet demand for Latin American goods in the US

Source Logistics announces new 425,000 sq ft warehouse in Laredo, Texas, helping customers meet demand for consumer goods delivery from Latin America to the US.

HOUSTON, TX, UNITED STATES, January 7, 2025 /EINPresswire.com/ -- [Source Logistics](#), a specialist provider of value-added transportation, warehousing, distribution, and fulfillment services, today announces the opening of its latest 425,000-square-foot state-of-the-

Source Logistics, Laredo, TX

art warehouse facility in Laredo, Texas, to help its customers meet the surging demand for consumer goods delivery from Latin America to the US. With Laredo, Source offers 14 strategically located facilities across the US, totaling more than 3.2 million square feet.

“

By combining our deep specialization in Latin American trade with cutting-edge infrastructure, we empower businesses to meet the growing consumer demand for high-quality products from the region.”

Raul Villarreal, CEO at Source Logistics

Strategically located near the US-Mexico border, the Laredo facility is close to the Colombia Bridge, one of the region's key international trade routes - making it an ideal hub for shippers importing goods from Latin America. This expansion reflects Source Logistics' commitment to supporting surging US demand for Latin American products, including food and beverage, consumer packaged goods (CPG), and health and beauty items.

The new facility adds significant capacity to the Source Logistics operation, aligning with its [recently announced](#) strategic growth plan. It continues Source's goal of helping

customers meet increasing demand while providing innovative and reliable end-to-end supply chain services.

Raul Villarreal, CEO at Source Logistics, comments, "The launch of our new Laredo facility represents a significant milestone in our efforts to strengthen supply chain solutions for our customers. By combining our deep specialization in Latin American trade with cutting-edge infrastructure, we empower businesses to meet the growing consumer demand for high-quality products from the region."

Regarding growing its brand presence in the US, Federico Devalis at ARCOR says, "The US Hispanic market is one of the most dynamic and rapidly growing segments. Partnering with Source Logistics has enabled us to confidently take advantage of this opportunity. Their expertise and strategic locations have been crucial in helping us expand our footprint and effectively meet the demands of our consumers."
