Designer Philippe Vergez partners with Qymira, musician & actress, as the face of VERGEZ™—a luxury brand fusing artistry, elegance, and iconic inspiration.

BIARRITZ, FRANCE, January 13, 2025 /EINPresswire.com/ -- Acclaimed designer Philippe Vergez, celebrated for his creations adorned by celebrities and Hollywood icons, proudly announces a captivating collaboration with international musician and actress Qymira. As the new face of VERGEZ™, the luxury jewelry brand inspired by legendary artists and musicians, Qymira embodies the brand's essence of artistry and elegance.

“I am truly honored to be the face of such an iconic and prestigious jewelry brand as VERGEZ,” said Qymira. “From the moment designer Philippe Vergez approached me, I felt an immediate connection to the brand's essence. His

designs are not only bold and unapologetic but also embody a timeless elegance that resonates deeply with my personal style.”

“When Qymira, a luminous artist and advocate, met Philippe Vergez, the visionary behind VERGEZ™, their bond was rooted in a shared mission to uplift children in need,” he said. Qymira's foundation, One Gaia, empowers young minds through music and arts, while Philippe

supports The House of Affection, a haven for orphans in Vietnam. Together, they forged a friendship where artistry and altruism beautifully converge. “Within a short time, it came natural for Qymira to emerge as the face of VERGEZ™. I recognized her as a muse, an artist of exceptional depth and a performer destined to dazzle,” Vergez said. “I sought to craft pieces that would resonate with her essence, not merely as jewelry but as extensions of her spirit, echoing her creativity and passion.”

Among these creations are a violin bow, paired with a ring, statement earrings, and a choker, masterpieces where music, design, and craftsmanship intertwine. The bow, crafted with Maître Archetier Jerome Chuilon, draws out the purest tones, while the ring, and jewelry pieces for the bow, meticulously crafted by Maître Joaillier Florent Tremolosa, features white gold, celestial tanzanite, diamonds and sapphires encircled by roaring lions, symbols of Qymira’s courage and grace. The choker and earrings, fierce yet refined, honor her inner lioness, carrying her voice into the universal language of music. Each piece is a quiet symphony, crafted not only to adorn but to inspire, a testament to the bond between an artist and a creator who dared to dream beyond beauty.

An exquisite pairing of artistry: the Violin Archet and Dual Ring, masterfully designed and crafted for Qymira by Philippe Vergez, blending elegance and innovation.

Qymira commands the stage in radiant elegance, wearing VERGEZ’s striking ring and wielding the stunning Violin Bow—crafted by Philippe Vergez—a symphony of art and grace.
