

# Professor Messer Hits One Million Subscribers on YouTube

*Messer Studios, the company behind the popular Professor Messer YouTube channel, announced they have reached the one-million YouTube subscribers mark.*

TALLAHASSEE, FL, UNITED STATES, January 13, 2025 /EINPresswire.com/ -- This achievement highlights Professor Messer's dedication to the creation of engaging, creative, and high-quality training courses that resonate with information technology professionals worldwide.

Since its launch, the [Professor Messer YouTube channel](#) has provided [free IT certification training](#) to help individuals working towards their first job or a higher-level position in the technology field. Training materials covering CompTIA A+, CompTIA Network+, CompTIA Security+, Microsoft Windows operating systems, Cisco networking, and Linux operating systems are just a few of the courses made available on the Professor Messer YouTube channel and website.

"Our goal from the very beginning was to provide the highest quality IT training for free, and we're thrilled to see such overwhelming support from our website visitors and the YouTube community," said James Messer, Founder and CEO of Messer Studios. "Reaching one million subscribers is a humbling statistic, and we're grateful to our viewers for their ongoing encouragement, support, and passion."

This milestone is the culmination of a remarkable year for the Professor Messer YouTube channel. With more than 32 million views and over three million hours of watch time in just the last 12 months, the Professor Messer YouTube channel has continued to provide viewers with popular IT training curriculum, live interactive study groups, and hours of exclusive technology training. With over 200 million overall views, Professor Messer's YouTube channel has provided

ongoing IT career opportunities for individuals around the world.
