As one of the largest Pebble Tec® applicators in Central Florida, Classic Marcite has built a reputation for quality and innovation. Over the past three decades, they have resurfaced more than 100,000 pools, helping homeowners and businesses enhance the beauty, safety, and longevity of their swimming pools.

“We’re incredibly grateful to our Jacksonville customers who have trusted us to bring their pool visions to life,” said a spokesperson for Classic Marcite. “This milestone is a testament to our team’s commitment to delivering

outstanding results and a seamless experience.”

Classic Marcite specializes in pool resurfacing, offering materials like plaster, aggregate, and tile to suit different styles and budgets. The company’s signature marcite plaster, made from white cement and marble dust, is a popular choice for its classic appearance and durability. Whether addressing cracks, leaks, or rough surfaces, Classic Marcite’s expert team ensures a high-quality finish that stands the test of time.

Beyond resurfacing, Classic Marcite provides complete pool renovations, including equipment

upgrades and design enhancements. Their meticulous process—from initial inspection to the final application—ensures every pool project exceeds customer expectations.

A Commitment to Excellence

For 35 years, Classic Marcite has been guided by a simple mission: to provide superior pool services that make a lasting impact. Their dedication to quality, transparency, and customer satisfaction has made them the go-to choice for pool owners in Jacksonville.

As they celebrate this milestone, Classic Marcite looks forward to continuing its legacy of excellence and innovation. They remain committed to helping the Jacksonville community enjoy safe, beautiful, and functional pools for years to come.
