“The Franchise 500 is more than a list. It’s really a collection of life-changing opportunities, featuring strong and resilient brands that future franchisees will be proud to be a part of,” says Jason Feifer, editor in chief of [Entrepreneur magazine](#). “This year’s honorees represent the bold ideas, operational excellence, and adaptability that make franchising a cornerstone of entrepreneurial success.”

In Entrepreneur’s continuing effort to best understand and evaluate the ever-changing franchise marketplace, the company’s 46-year-old ranking formula continues to evolve as well. The editorial team researches and assesses several factors, including costs and fees, size and growth, support, brand strength, and financial strength and stability. Each franchise is given a cumulative score based on an analysis of more than 150 data points, and the 500 franchises with the highest cumulative scores become the Franchise 500® in ranking order.

Over its 46 years in existence, the Franchise 500® has become both a dominant competitive measure for franchisors and a primary research tool for potential franchisees. Paul Davis Restoration's position on the ranking is a testament to its strength as a franchise opportunity.

"We are not only proud to be named to this prestigious list," said Rich Wilson, President and CEO of Paul Davis Restoration, "but to continue to climb to the top on it is a special achievement for us."
