“

We've always believed games are about more than just fun—they're about creating memories.”

Known for hits like *Camping with Sasquatch*, *What The Film?!* and *Trash Dice*, Lethal Chicken Games continues its tradition of bringing laughter and strategy to game nights. This time, the spotlight is on *Dice Batter*, a unique game where players roll and place dice to fill the cookie sheet cards, bump opponents, and literally stir the dice to claim sweet victory. With its wooden spoon gameplay and charming oven-themed packaging, *Dice Batter* is destined

to become a must-have for gaming enthusiasts of all ages.

“We've always believed games are about more than just fun—they're about creating memories,” said Alex Mackey, co-founder of Lethal Chicken Games. “With *Dice Batter* and the other new titles, we're bringing fresh, engaging experiences to the table, and Kickstarter supporters will be the first to get their hands on them.”

The campaign also highlights Lethal Chicken Games' commitment to supporting local retailers. Exclusive wholesale levels available during the Kickstarter offer lower prices than post-campaign distribution rates, ensuring that small businesses can stock their shelves with these exciting new games at competitive margins.

"Our goal is to build stronger partnerships with local game stores," said co-founder Mike Szalajko. "By offering early access and wholesale discounts through this campaign, we're giving them an edge that for once big online retailers just can't match."

The Kickstarter campaign will feature four games:

Dice Batter: A sweet and strategic dice-placement game.

Tortilla Takedown: A hilarious lucha libre-inspired game packed with Flying Fajitas and churrometers.

Little Pig Little Pig: A race to outsmart the Big Bad Wolf while building houses and collecting resources.

What's Under Your Bed?: A quirky, fast-paced card game that brings stacks of very creative monsters.

Retailers and gamers alike are encouraged to follow the campaign on Kickstarter to take advantage of exclusive deals and secure their copies of these unique titles before anyone else.

Kickstarter Launch Date: January 21, 2025
