

Accurate Legal Billing Partners with Orion to Streamline End-to-End Practice Management and OCG Compliance for Law Firms

The partnership aims to standardize practice management and clients' billing guidelines compliance for law firms through the power of AI

NEW YORK CITY, NY, UNITED STATES, January 23, 2025 /EINPresswire.com/ -- [Accurate Legal Billing](#) today announced a new partnership with Orion Law to expand the capabilities of cloud-based platforms to deliver AI-powered business tools to help law firms streamline and standardize practice management while ensuring full compliance with law firm clients' billing rules.

The partnership provides Orion and ALB users access to a full suite of business management tools for legal professionals. Using an API integration, law firms using Orion may access ALB's AI-enabled OCG Compliance platform. The integration of solutions ensures legal billing compliance through ALB seamlessly within Orion's robust suite of tools which includes a CRM, document management, KPIs, and business development features.

"AI is becoming widely accepted and used in the legal industry, law firms are now looking for practice management

Accurate Legal Billing

with the best-in-class AI applications to help them better manage their law firms as well as cost saving for them and their clients,” says Andre Wouansi, CEO of Accurate Legal Billing. “Those looking for innovative practice management and billing and accounting software can now look to Orion knowing that they will also be able to take advantage of the ALB unique AI time entry cleansing tool.” This ensures an increase in firm realization rate, reductions of time spent by billing partners in reviewing associates' time entries during pre-bill, eliminates the need to appeal for reductions, and the need to constantly train timekeepers on new and updated billing guidelines.
