“The Titan 100 are changing the way that business is done in St. Louis. These leaders have built a distinguished reputation that is unrivaled in their field. We proudly recognize the Titan 100 for their efforts to shape the future of the St. Louis business community. Their achievements create a profound impact that makes an extraordinary difference for their clients and employees,” says Jaime Zawmon, President of Titan CEO.

This year's Titan 100 embodies the true diversity of the St.

Louis business landscape. Representing construction, financial services, hospital & health care, information technology & services, marketing & advertising, and non-profit sectors, among others.

The annual Titan 100 awards celebration on April 24th, 2025, will be held at The Factory. This unique cocktail-style awards event will gather 100 Titans of Industry and their guests for an evening unlike anything that exists in the St. Louis business community.

“On behalf of all the partners and associates at Wipfli, we congratulate all the Titan100 winners. It’s an honor to recognize this diverse group of leaders in the St. Louis community. We appreciate the lasting impact each leader has made, and continues to make, in building organizations of significance both here in St. Louis and abroad. Your ingenuity and creativity have set you apart, and the honor of being seen as an industry Titan is richly deserved,” says Adam Herman Partner at Wipfli.

In addition to celebrating 100 Titans of Industry, Titan CEO and Wipfli will be recognizing the Titan 100 Hall of Fame. This prestigious honor has been awarded to only ten Titan 100 honorees as part of this special commemoration. Titan award recipients are eligible to make the Titan 100 list up to three years, with each year getting progressively more difficult. To make it to the Hall of Fame, Titans must complete on-camera interviews and answer a series of questions where they do not know what will be asked in front of a live judging committee.
