

APS Global Partners with Carahsoft to deliver AI/LLM Products and Services to the Federal Government

APS Global Partners with Carahsoft to provide sales and support to the Federal Government for CompassAPT, AI/LLM Cybersecurity Compliance Assistant & Navigator.

LAUREL, MD, UNITED STATES, January 18, 2025 /EINPresswire.com/ -- APS Global, a leading Cybersecurity and Research & Development company, is pleased to announce its partnership with [Carahsoft \(www.carahsoft.com\)](http://www.carahsoft.com) to provide sales and support to the Federal Government of APS Global's CompassAPT, an innovative AI/LLM Assistant & Navigator designed to revolutionize cybersecurity compliance processes.

CompassAPT is a purpose built on-prem AI/LLM solution trained on the rigorous standards of NIST & FISMA cybersecurity frameworks. Leveraging cutting-edge technology and now Co-Located inside a FEDRAMP Data Center. CompassAPT empowers organizations to efficiently MAP & REVIEW large and complex compliance documentation in mere hours, delivering unprecedented time savings compared to traditional methods.

APS Global CEO and Chief Science Officer, Dr. Hansen, CISSP, a certified CMMC Lead Assessor (CCA), leads APS Global efforts in performing Mock Assessments (Plans, Policies, Artifacts/Evidence, & Interviews) for companies seeking assurance they are ready for an official Cybersecurity Maturity Model Certification "CMMC" Third-Party Assessment with an Authorized C3PAO.

APS Global LLC, Founder & CEO Dr. Hansen, CISSP, CMMC Lead CCA provides various CMMC services, including GAP Assessments, Remediation, CMMC Platform Design & Deployment, and CMMC Cyber-as-a-Service solutions.

"We are thrilled to introduce CompassAPT to the Federal Government cybersecurity landscape," said Dr. Hansen, CEO of APS Global. "Our mission is to empower organizations with the tools and expertise needed to navigate the complex realm of cybersecurity compliance seamlessly and expediently. With CompassAPT, we are confident in our ability to reduce the backlog of CMMC compliance challenges for government contractors by driving efficiency, accuracy, and security."
