

CLOUDX ANNOUNCES CDK INTEGRATION THROUGH THE FORTELLIS MARKETPLACE WITH APSMART

CloudX, a leading SaaS company delivering intelligent accounting automation services to automotive dealerships, today announced its integration with CDK Global.

NORTH HAVEN, CT, UNITED STATES, January 24, 2025 /EINPresswire.com/ -- CloudX®, a leading SaaS company delivering intelligent accounting automation services to automotive dealerships, today announced its [integration with CDK Global](#) to publish on [The Fortellis Marketplace](#).

“We are thrilled to bring our powerful accounts payable automation solutions to CDK clients via the APSmart® app on Fortellis. Through this integration, CDK dealers will be able to simplify invoice processing, expedite vendor statement reconciliation, and streamline payables while monetizing their process, ushering in greater value to their auto groups.” – Chris Cosgrove, Founder & Chief Revenue Officer, CloudX

The integration provides dealerships with a seamless way to connect CloudX's accounts payable automation solutions with CDK Global's Dealer Management System (DMS). By leveraging The Fortellis Marketplace, dealerships can access CloudX's suite of cloud-based products to automate critical accounting tasks, such as vendor invoice processing, statement reconciliation, and payment workflows. This enables dealers to reduce manual workload, enhance operational visibility, and improve profitability.

The Fortellis Marketplace is an online automotive commerce exchange that enables a true exchange of information and data in an open, secure, and accessible global network. The CDK

platform enables CloudX to provide dealers with advanced automation tools for their AP operations, reducing errors, accelerating workflows, and enhancing financial processes.
