

# Detroit VA Healthcare System Downriver Clinic Hosts Successful Open House

DETROIT, MI, UNITED STATES, January 28, 2025 /EINPresswire.com/ -- The Detroit VA Healthcare System's newest clinic, the Downriver Clinic, opened their doors to the public for an open house event on January 24. The clinic, which opened in June, hosted Veterans from the Downriver area, to familiarize them with the space. The Downriver Clinic will allow Veterans to access Primary Care, Mental Health, Laboratory and Telehealth Services locally.

Veterans had the opportunity to speak with experts on benefits including representatives knowledgeable about Veterans Benefits, VA Healthcare, Pact Act, Medical Foster Home and VSOs. Veterans were also able to meet providers and conveniently switch over their care to the clinic.

"We are thrilled about the outcome of this event", said Chris Cauley the Detroit VA Healthcare System's executive director. "It is important to us that Veterans are able to receive care in ways that are accessible and convenient to them."
