LOS ANGELES, CA, UNITED STATES, January 29, 2025

/EINPresswire.com/ -- Tia Hollis, a seasoned entertainment industry insider, momager, and author, has launched her new ebook guide, “Kurtains: Step-by-Step Tips on Getting Your Kid into Show-Biz... Without Being Ripped Off!” Drawing from years of firsthand experience managing her children’s highly successful careers in television and modeling—and later managing a roster of A-list child talent through her boutique agency—Hollis offers parents an authentic glimpse into navigating the entertainment industry.

Hollis’s journey began as a dedicated momager, propelling her children to career-defining opportunities, including one child being among the first GAP Kids, earning \$600 per hour for an iconic booking. She later expanded her expertise to managing Hollywood’s rising young stars, advocating for their success while ensuring ethical practices in an often-unforgiving industry. Now, she’s transforming her experiences into a resource for parents to protect their children’s futures while unlocking their potential in show business.

A Practical Guide for Navigating Showbiz

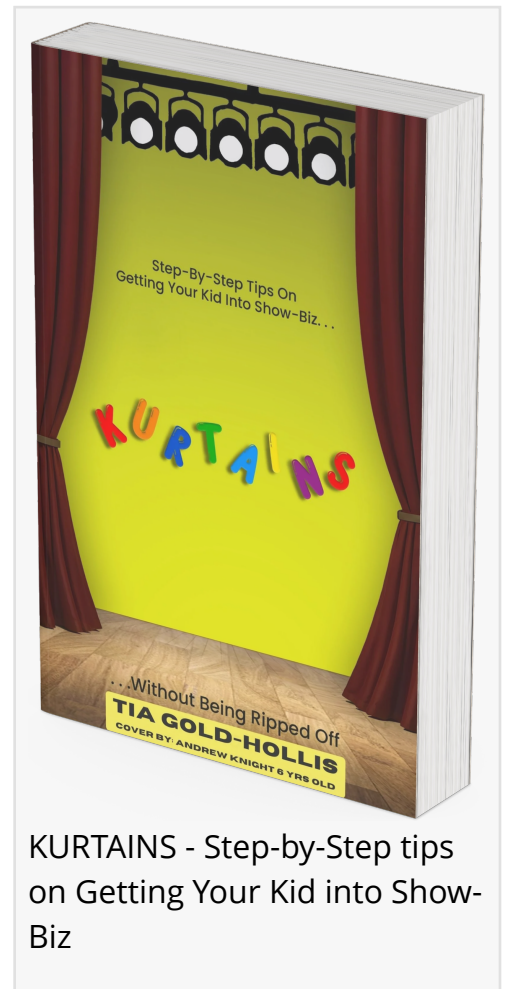

In “Kurtains,” Hollis breaks down the complexities of the entertainment world with actionable advice, including:

Identifying legitimate opportunities and avoiding scams

Decoding contracts and agents to safeguard your child’s career

Balancing success with childhood well-being

Strategically planning for long-term financial security

"This guide isn't just for parents who want to see their kids on TV; it's for anyone who wants to ensure their child's dreams are supported with knowledge and care," says Hollis.
