This acquisition aligns with the company's strategic growth initiatives.

"We are enthusiastic about this expansion in Oregon," stated Sarah Silva, President of Arété Living. "We are committed to providing high-quality care and fostering an environment of inclusivity and belonging. communities have earned notable recognition for high-quality care through the annual quality awards by the American Health Care Association and the National Association for Assisted Living (AHCA/NCAL).

Areté Living was also recently recognized for its outstanding commitment to diversity, equity, inclusion, and belonging with the inaugural [Prism Awards](#). Areté Living received the Social Stewardship Award and Kenny Dew, Area Finance Manager and Chair of the Diversity, Equity, Inclusion, and Belonging Council, earned the DEIB Champion Award.

This public recognition is valuable to the team, as both awards align with two of their core values: “quality that is obvious” and “a culture of respect, belonging, and celebration of diversity.”

To ensure a positive experience for everyone involved, Areté Living leadership is supporting residents, families, and employees through the transition. Leadership has already visited all five communities to host town halls.

The team looks forward to the rest of 2025 and beyond as they work to enhance lives and create an active, engaging retirement experience for seniors.
