CRN's annual MSP 500 list is a comprehensive guide to the leading MSPs in North America. These companies deliver essential managed services that enhance business efficiency, simplify IT, and optimize return on technology investments for their customers. In addition, these solution providers empower businesses with complex technologies so they can achieve their business goals without stretching financial resources.

"We are honored to be recognized by CRN as part of the Elite 150 category on the MSP 500 list," said Jay Whitchurch, CEO of CCS. "This achievement reflects our strong market expansion and growth, and unwavering commitment to delivering cutting-edge managed service solutions that help our clients maximize their IT investments. As demand for advanced technology solutions accelerates, CCS will continue to expand its offerings and drive innovation, ensuring our clients stay competitive in this evolving digital landscape."

"The solution providers on our 2025 MSP 500 list deliver innovative managed services portfolios that enable clients of every size to be more agile and optimize their IT budgets as they grow their business," said Jennifer Follett, VP of U.S. Content and executive Editor CRN, at The Channel Company. "These are the companies that anticipate client tech needs and develop groundbreaking services and solutions that let customers focus on their core business so they can accelerate success."

The MSP 500 list will be featured in the February 2025 issue of CRN Magazine and online at [www.crn.com/msp500](http://www.crn.com/msp500) beginning February 10.
