

# FS-Curtis Launches PET Elite: High-Pressure, Oil-Free Air Compressor for Bottle Blowing Industries and more

*The PET Elite is a high-pressure, oil-free reciprocating air compressor for high-performing industries!*

ST. LOUIS, MO, UNITED STATES, February 10, 2025 /EINPresswire.com/ -- FS-Curtis, a leader in innovative and reliable compressed air solutions, proudly announces the launch of its newest oil-free product, the PET Elite high-pressure oil-free reciprocating air compressor. With a power range from 50 to 300 HP and a maximum pressure of 580 psi, the PET Elite is designed to meet the demanding needs of industries requiring high-performance solutions for bottle blowing.

## Engineered for Industry Excellence

The PET Elite Series is a game-changer for companies in the beverage packaging, bottling, manufacturing, and other industries that rely on ultra-clean, high-pressure compressed air. This compressor provides a robust and reliable solution for producing PET bottles.

### Key Features and Benefits:

- Oil-Free Operation: Ensures contamination-free air for sensitive applications, improving product quality and meeting stringent industry standards.
- High Pressure up to 580 psi: Ideal for demanding applications, including bottle blowing and industrial processes needing oil-free air.
- Power Range from 50 to 300 HP: Flexible performance options tailored to diverse operational needs.
- Energy Efficiency: Advanced design for optimized energy usage, reducing operational costs and environmental impact.
- Durable Build: Engineered for long-term reliability and minimal maintenance, ensuring uninterrupted operations.

Applications:

Beverage Industry: Supporting PET bottle manufacturing processes with precise and efficient air delivery.

Industrial Manufacturing: Ensuring high-pressure, oil-free air for diverse industrial needs.

Oil-free Solutions in Compressed Air Solutions

“The PET Elite is a testament to FS-Curtis’ ongoing commitment to delivering the highest quality and most reliable air compressor solutions,” said Russell Warner, Vice President of Sales at FS-Curtis. “We understand the critical needs of our oil-free customers, and this launch reinforces our dedication to supporting their success.”

About FS-Curtis

For over 170 years, FS-Curtis has been a trusted name in providing high-quality compressed air solutions. Headquartered in St. Louis, Missouri, the company continues to lead the way in innovation and customer-focused solutions for industries across the globe.
