

# Model Stone Co. Inc. Introduces Premium Gravel Products for Residential and Commercial Applications

HOUSTON, TX, UNITED STATES, April 1, 2025 /EINPresswire.com/ -- [Model Stone Co. Inc.](#), a leading supplier of high-quality stone products since 1998, proudly announces the launch of its new premium gravel product line. Located in Houston, TX, Model Stone Co. Inc. has been a trusted partner for homeowners, contractors, and businesses, offering extensive materials such as stone, [travertine](#), tile, marble, and more. With this latest addition, the company continues its legacy of delivering superior products tailored to diverse customer needs.

The newly launched gravel line includes two distinctive types: bull rock gravel and limestone gravel. Sold in bulk by the cubic yard, these products are available for delivery and feature a variety of uses. With its rough surface and virtually white colour, limestone gravel is a utilitarian and ornamental landscaping, building, and driveway material. Its durability and natural look make it ideal for accents.

Model Stone Co. Inc. distinguishes itself through its dedication to quality. The company exclusively sources its materials from reputable suppliers in Turkey, Mexico, Spain, and the USA, ensuring each product meets stringent standards. With decades of expertise, Model Stone Co. Inc. remains committed to serving the needs of both residential and commercial clients.
