

ColoWell America Becomes one of the First Clinics in Tampa, FL to Introduce EXOMIND Therapy

Tampa's Top-Rated Proctology and Medical Aesthetics Practice Expands Its Non-Invasive Wellness Solutions

TAMPA, FL, UNITED STATES, February 21, 2025 /EINPresswire.com/ -- ColoWell America, the premier proctology and [medical aesthetics clinic in Tampa](#), continues to lead the way in innovative healthcare by becoming the first clinic in the region to introduce EXOMIND therapy. Known for its commitment to cutting-edge treatments, ColoWell America offers patients a comprehensive range of non-surgical and non-invasive therapies for the mind, face, body, and functional wellness—all under one roof.

Exomind at ColoWell America in Tampa, FL

EXOMIND therapy represents a breakthrough in mental wellness, offering a non-invasive solution for individuals seeking to enhance emotional well-being. Powered by ExoTMS™ technology, EXOMIND comfortably stimulates key areas of the brain involved in emotional regulation and cognitive function. By activating neural pathways, the therapy promotes healthy brain activity and neural connectivity, helping patients experience improved mental clarity and balance. ColoWell America is proud to be the first clinic to offer [EXOMIND in Tampa, FL](#), providing patients with access to this innovative treatment as part of our comprehensive wellness solutions.

“

Our goal has always been to offer the most advanced, patient-centered treatments available, and EXOMIND aligns perfectly with our vision of providing seamless health and wellness solutions.”

Dr. Shiraz Farooq

“We are thrilled to be the first clinic in Tampa to bring EXOMIND to our community,” said [Dr. Shiraz Farooq](#), Founder and Medical Director of ColoWell America. “Our goal has always been to offer the most advanced, patient-centered treatments available, and EXOMIND aligns perfectly with our vision of providing seamless health and wellness solutions.”.

Exomind - A New Era in Mental Wellness

A Holistic Approach to Health and Wellness

ColoWell America sets itself apart by integrating Proctology, Medical Aesthetics, and Functional Wellness services into a single destination. Patients have access to advanced therapies such as BTL's suite of technologies, including EMFACE, EXION, EMSCULPT Neo, EMSELLA, and now EXOMIND, making it easier than ever to achieve total wellness.

About EXOMIND

EXOMIND therapy is a state-of-the-art brain stimulation treatment designed to improve mental and emotional well-being. It is FDA-cleared for the treatment of depression and is approved for other mental wellness indications in Canada and Europe. Sessions are comfortable, non-invasive, and take less than 30 minutes, making it a convenient option for those seeking mental wellness without the need for medication.

About ColoWell America
