Dr. Randolph C. Bishop, MD

Dr. Bishop's expertise enables The Summit to expand its advanced spine care services, offering innovative solutions for patients. His extensive experience in minimally invasive techniques enhances The Summit's ability to provide cutting-edge, patient-centered care, ensuring more individuals have access to the specialized treatments they need.

"I'm eager to bring my particular expertise to the team at The Summit. Their approach to patient care is top notch. Spinal care has advanced so much, and we're able to do incredible things through minimal procedures. I'm grateful for the opportunity to serve patients in this region and beyond," said Dr. Bishop.

In addition to his clinical practice, Dr. Bishop is an active member of the American Association of Neurological Surgeons, Congress of Neurological Surgeons, and American Association of Pain Medicine. He has also contributed to numerous peer-reviewed publications and holds patents for innovative spine surgery devices and systems.

The Summit encourages individuals suffering from back pain or spinal conditions to schedule a consultation with The Summit, so they can learn more about their potential treatment plans and take the first step towards regaining their quality of life.
