

St. Louis Collaborative Divorce Attorney, Jennifer Piper Featured On The Respectful Divorce Podcast

Divorce With Respect Week® is March 3-9, 2025, and is a nationwide effort to educate divorcing couples about options for divorce.

MO, UNITED STATES, February 17, 2025 /EINPresswire.com/ -- St. Louis Collaborative Divorce Attorney Jennifer Piper was recently a guest featured on The Respectful Divorce podcast discussing the upcoming Divorce With Respect Week® initiative and the no-court Collaborative Divorce process.

The Respectful Divorce Podcast is hosted by Tim Crouch and highlights divorce professionals discussing the different options for divorce.

This will be the 4th annual Divorce With Respect Week®

“My parents had a terrible divorce and I knew how that affected me as a child,” said Piper. “I was dragged to the courthouse and it wasn't pleasant. It still affects me to this day and I don't recommend it for anyone. What I do recommend is the Collaborative Divorce process because it's not designed to fight, the clients are more involved, and you don't have to deal with court and your private information being exposed.”
