Fight Against Gun Violence:

North Charleston, SC – Join us on
Saturday, February 22, 2025, starting at
2:00 pm for an impactful event
designed to empower and educate youth on gun violence prevention, conflict resolution,
communication skills, and safety. This is more than just a movie screening, it's an opportunity to
engage, learn, and inspire action. Let's hear from our youth and create meaningful conversations
that drive change in our community.

Gun violence continues to plague our communities, leaving lasting trauma on families and future
generations. It is imperative that we take proactive steps to educate our youth on gun safety,
prevention, and conflict resolution to break the cycle of violence. By fostering open dialogue and
providing critical resources, we can equip our young people with the tools they need to make
safer choices and build a stronger, united community.
