

Excel Dryer wins two prestigious sustainability awards from Business Intelligence Group

EAST LONGMEADOW, MA, UNITED STATES, February 18, 2025 /EINPresswire.com/ -- [Excel Dryer, Inc.](#), was recently recognized as a double winner in the prestigious [2024 Sustainability Awards](#), hosted by Business Intelligence Group, which honors organizations worldwide that make sustainability a core part of their business practices.

The D|VERSE Sink System featuring the XLERATORsync® Hand Dryer was recognized as a Sustainability Product of the Year, and Excel Dryer's Healthy Office Oasis received the Sustainability Initiative of the Year award. Excel's ThinAir® Hand Dryer with Electrostatic HEPA (eHEPA®) Filtration was also selected as a finalist in the Sustainability Product of the Year category.

Business Intelligence Group Sustainability Award presented to Excel Dryer, Inc.

Excel Dryer

“We are thrilled with these recognitions, which are a testament to Excel's unwavering commitment to the environment,” said Joshua Griffing, director of marketing and international sales for Excel Dryer. “We are dedicated to advancing the industry while ensuring that everything from our workplace to our products reflects our values of sustainability and wellness.”

The D|VERSE Sink System featuring the XLERATORsync Hand Dryer with eHEPA is a collaboration between commercial product designer D|13 Group and Excel Dryer. Integrating the elements of proper hand washing and drying in a cohesive 30" unit, it introduces a new level of hygiene, sustainability and aesthetic appeal that instantly transforms any commercial restroom.

Excel Dryer's energy-efficient, sustainable and comfortable office expansion at its LEED-certified headquarters was guided by the WELL Building Standard® and rooted in the company's mission to lead through innovation. It incorporates beauty, health, wellness and sustainability—from a
