Metal Fiber Markets Forecast

According to the report published by Allied Market Research, the Metal Fiber Market by Type (Steel, Copper, Nickel, Aluminum, and Others), and End-use Industry (Automotive, Textile, Aerospace, Construction, Power & Electronics, and Others): Global Opportunity Analysis and Industry Forecast 2020-2027".

Rise in use of steel fiber in the construction industry and high demand for metal fibers in filtration application fuel the growth of the global metal fiber market. On the other hand, volatile prices of raw materials impede the growth to some extent. Nevertheless, developing consumer base in emerging economies is expected to create lucrative opportunities in the industry.
