

Protesters Call on Representative Andy Harris to Address Billionaire Influence in Public Policy

CAMBRIDGE, MD, UNITED STATES, February 20, 2025 /EINPresswire.com/ -- Cambridge, MD – Cambridge Indivisible will host a protest on Friday, February 21, 2025, as part of a nationwide effort calling for greater accountability from public officials regarding the growing influence of billionaire figures in public policy. The event will take place outside

Representative Andy Harris' district office in Cambridge.

The demonstration aims to raise awareness about concerns related to unchecked corporate influence and its impact on everyday Americans, including farmers, veterans, seniors, and low-income communities. Organizers are urging Representative Harris to take a stand in support of government transparency and accountability by addressing the role of billionaire interests in shaping national policies.

“

Elon Musk wasn't elected, yet his power hurts farmers, veterans, & working families. Rep. Andy Harris lets it happen. We don't elect kings—we demand accountability. Will Harris stand with us or hide?”
