Here are a few of the numerous positive testimonials penned by satisfied customers who were thoroughly

impressed with the communication and painting services offered by Big Shawn's Painting. "Just had my house painted yesterday and I'm pleased and impressed by their system. My crew was Jesse and Mike who are excellent and also perpetual motion machines. They wrapped every window, door, wire, faucet, light etc. The prep may seem like it's taking a long time but it makes the painting go super fast and the final product is perfect. They sprayed a thick base of paint then rolled, then brushed it in well. When the first pass was made around the house they followed with a second pass of a light mist of paint which put a great finish on the job. It looks great and I'm pleased with price. Scott is solid and a great communicator. He answers all questions immediately. So glad I gave them a try." "Scott and his crew were professional, polite, friendly and did an outstanding job on our house. They were dedicated - showing up at 7:15 and working into the evening to get the job done for us. They also did an excellent job cleaning up the entire experience was stress and hassle free." "We were very impressed with the work done at our house. We had them remove the popcorn ceiling on most of the first floor. They did a great job removing it, painting the ceilings and were efficient when cleaning up. We added a few small jobs and they were very flexible and accommodating. We would highly recommend them." "The team did an AMAZING job on my house. It had old aluminum siding and as I couldn't afford the 25k bill to replace the old PINK siding with vinyl they made the house look brand new within a day and a half! I've already gotten compliments from neighbors and will be referring them to everyone I can. Scot and team even walked me through afterwards to show where they painted the soffits, trim and even replaced corner pieces that I had ordered. I highly recommend the team and will be using them again for some interior projects." The entire Big Shawn's Painting team consistently exceed expectations to deliver excellent painting project outcomes for each
