JDog Encinitas & Oceanside ensures that [60-80% of collected items are kept out of landfills](#),

through its unique approach to recycling, rehoming, and responsible disposal, directly benefiting the environment and the local community. By recycling and donating reusable items, JDog Encinitas maximizes the value of every item it collects, transforming what would be waste into opportunities for those in need.

A Sustainable Approach to Junk Removal

JDog Encinitas and Oceanside takes pride in its green initiatives, ensuring that waste disposal is handled with responsibility and purpose. The company actively:

Recycles Metals & E-Waste: Ensuring that valuable materials are properly processed and reused.

Donates & Rehomes Items: Assuring that furniture, appliances, and household goods find new homes instead of ending up in a landfill.

Military Family Serving Their Community

As a Military Family-Owned and Operated business, JDog Encinitas is

dedicated to supporting those who have served. To work at JDog, employees must be Military or members of a Military family, reinforcing the company's mission to:

- Reduce Veteran and Military unemployment to below 1%.
- Provide meaningful career opportunities for Veterans.
- Support Veteran and Military focused organizations and initiatives.
