

ZD Stucco Repair Kicks Off 2025 With Over 100,000 Sq Ft of Stucco Work in Progress

ZD Stucco Repair, a top-rated Greater New York stucco company, is starting the 2025 season strong with over 100,000 sq ft of stucco projects already in motion.

CLIFTON, NJ, UNITED STATES, February 28, 2025 /EINPresswire.com/ -- Among these is a major commercial project in Brooklyn's Williamsburg neighborhood, where the company is installing a high-performance Armourwall system by Parex for enhanced energy efficiency and durability.

Partnering with General Contractor F&S Contracting, [ZD Stucco Repair](#) is executing this 5,200-square-foot installation with precision and expertise.

Working closely with the project's architect, the team developed a cost-effective solution tailored to the client's needs while maintaining the highest quality standards.

“

Kicking off the season with over 100,000 square feet of work in progress speaks to the trust our clients place in us and our ability to deliver outstanding results.”

Zoltan Dicso, Founder

New 5,200 sq ft stucco installation project in Brooklyn, NY

“This project exemplifies the expertise and efficiency we bring to every job,” said Zoltan Dicso, Founder of ZD Stucco Repair. “Kicking off the season with over 100,000 square feet of work in progress speaks to the trust our clients place in us and our ability to deliver outstanding results.”

As the demand for high-quality stucco solutions grows, ZD Stucco Repair continues to solidify its reputation as a trusted partner for commercial and residential projects across New Jersey and the Greater New York area.
