

Lees Trees Services Marks 30 Years of Tree Care Excellence in Texas

DRIPPING SPRINGS, TX, UNITED STATES, March 3, 2025 /EINPresswire.com/ -- [Lees Trees Services](#), a long-standing provider of professional tree care in the Texas Hill Country, is celebrating over 30 years of service. With a focus on sustainability and landscape preservation, the company continues to offer a range of tree management solutions to support healthy, thriving environments.

As tree health becomes increasingly important in maintaining both residential and commercial landscapes, Lees Trees Services provides expert care, including pest control, fertilization, canopy thinning, and [trimming](#). The company also specializes in Oak Wilt treatment, [tree removal](#), and the supply of cedar posts, firewood, and mulch. Their team of experienced arborists utilizes industry-best practices to enhance tree longevity and safety.

"Trees are essential to the ecosystem, and proactive care helps prevent disease, pest infestations, and storm damage," said a representative from Lees Trees Services. "Our goal is to help homeowners and businesses maintain strong, healthy trees while preserving the natural beauty of the Texas Hill Country."

For more information about Lees Trees Services and its commitment to tree health and sustainability, visit their website or contact their team at (512) 858-4018.
