

Meet Starmax At Hong Kong Show & Canton Fair in April 2025

Meet Starmax at the Canton Fair and Hong Kong Show in April 2025 and explore its latest GPS watches, outdoor watches, and fitness bands.

SHENZHEN, CHINA, March 17, 2025 /EINPresswire.com/ -- a leading smartwatch manufacturer, has announced its participant in two major events—the 137th Canton Fair in Guangzhou and the Global Sources Consumer Electronics Show in Hong Kong. The company will bring their latest and best-selling smart watch and fitness tracker models to the show, and provide detailed product demonstration and professional OEM/ODM solutions for the visitors.

"We are excited to bring our latest and hot-selling products to these major events," David Wei, VP of [Starmax Technology](#). "These trade fairs provide a big platform to help us connect with industry leaders and share our latest technology breakthroughs. We warmly invite media, distributors, e-commerce sellers, and tech enthusiasts to visit our booths and experience our innovations firsthand."

Key Highlights

Starmax will bring their latest GPS watch and outdoor adventure watch as well as other hot-selling smartwatches and fitness trackers to the show. In addition to fitness & wellness features

Logo of Starmax Technology

GTX2 GPS Outdoor Smart Watch with Versatile Style for Outdoor Adventures

like 24/7 heart rate and SpO2 monitoring, versatile sports modes, and sleep tracking, some models might be equipped with Bluetooth calling and high-precision GPS positioning.

There will be two new outdoor smartwatches unveiled at the event. With a long-lasting battery life of up to 15 days of use, both models are perfect for adventurers and outdoor activities enthusiasts, especially in situations where power sources are limited outdoors.

The [GTX2 GPS](#) Outdoor Smart Watch is designed for outdoor activities, featuring a built-in GPS sensor, an altitude barometer, and a compass for real-time navigation and situational awareness. Featuring 3ATM water resistance and over 60 sports modes including swim modes, it is a reliable companion for different activity needs and conditions.

GTS9 Rugged Smart Watch - Made of High Strength PC

The [GTS9 Rugged](#) Smart Watch is built for durability, featuring high-strength PC material and a shock-resistant design to withstand drops, scratches, and tough conditions. With 3ATM water resistance and 100+ sports modes, it is perfect for those looking for durability and versatility.
