Brandon Mull's latest Fablehaven adventure proves staying power of series

SALT LAKE CITY, UT, UNITED STATES, March 17, 2025 /EINPresswire.com/ -- New York Times bestselling author Brandon Mull has returned to publishing's premier list with his brand new addition to the famed 'Fablehaven' universe. ['Tales of Newel and Doren: The Gorgon's Fury'](#) will appear at No. 4 on the March 23 edition of the [Children's Middle Grade Hardcover](#) list.

"After sharing many 'Fablehaven' adventures from a human perspective, I thought it would be fun to tell a 'Fablehaven' journey from the point of view of the magical creatures," Mull said, while celebrating the news with one of his longtime publishers, [Shadow Mountain](#).

"Newel and Doren are the most irresponsible characters at 'Fablehaven,'" Mull added. "They've served as the comic relief throughout 'Fablehaven' and 'Dragonwatch,' and I wanted to see what might happen if the satyrs got into a situation where they had to be the heroes."

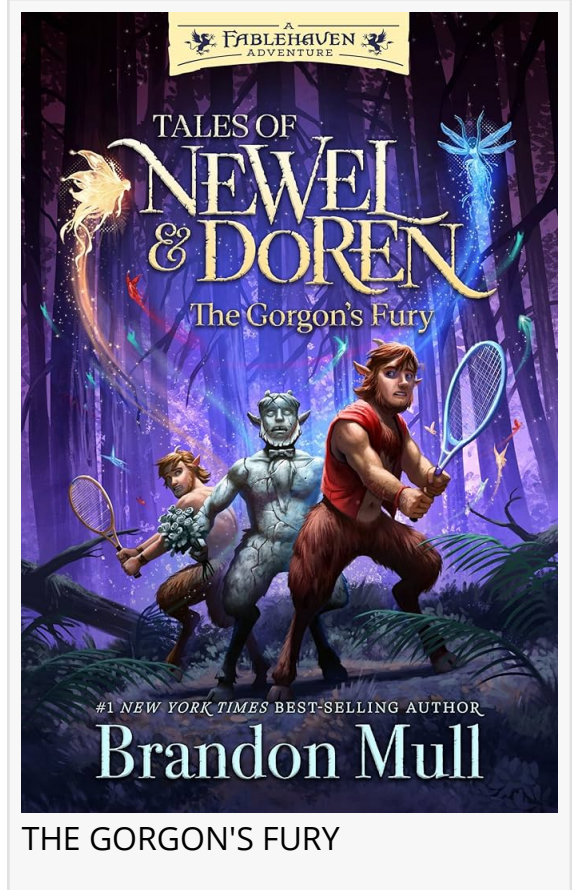

First-week readers agree. In addition to its bestselling numbers, 'Tales of Newel and Doren' has a 4.8 rating on Amazon.

Mull added his excitement that new readers can discover the world of 'Fablehaven' through the 'Tales of Newel and Doren,' and that experienced Fablehaven readers can experience an adventure from a fresh perspective. "For those who have never read 'Fablehaven,'" Mull said, 'Tales of Newel and Doren' is a great place to start."

'Tales of Newel and Doren: The Gorgon's Fury,' the eleventh novel to take place in the beloved world of 'Fablehaven,' is available in hardcover, audio, and ebook everywhere books are sold.
