About Elixirr

Elixirr is an award-winning global consulting firm working with clients across a diverse range of industries, markets, and geographies. Founded in 2009, the firm set out to be the 'challenger consultancy' and do things differently than the large corporate consultancies dominating the industry: working openly and collaboratively with clients from start to finish, delivering outcomes based on innovative thinking and treating each client's business like their own. In 2020, Elixirr listed with AIM on the London Stock Exchange. Following strong organic growth, Elixirr adopted a multi-brand strategy and has since acquired seven boutique firms – Insigniam, Hypothesis Group, Responsum, Den, Coast Digital, Retearn, and iOLAP – to grow their capabilities, expand into new geographies and markets, access new clients and talent, and more.
