

World Breathing Day 2025: Reconnect & Breathe Together on April 11

*World Breathing Day is on April 11th!
May the Whole World Reconnect &
Breathe Together*

LOS ANGELES, CA, UNITED STATES, March 18, 2025 /EINPresswire.com/ -- On April 11, 2025 join people from all corners of the globe in celebrating World Breathing Day, an annual event promoting the transformative power of conscious breathing and unity through breath. Hosted by the International Breathwork Foundation (IBF), this year's theme, "Reconnect & Breathe Together," calls on participants worldwide to come together to reconnect with themselves, each other, and the natural world through the simple yet profound act of shared, mindful breathing.

“

This year's theme, 'Reconnect & Breathe Together' represents our shared commitment to human reconnection, cultivating personal wellness and magnifying global unity.”

Rabie Hayek | World Breathing Day Director

From workshops and guided sessions led by prominent breathworkers to live-streamed events and interactive discussions, World Breathing Day 2025 offers an accessible way to experience the life-changing power of conscious breathing. Studies and global traditions alike have long shown that intentional breathing reduces stress, boosts focus, and fosters healing and deeper emotional resilience. As the world navigates increasingly complex challenges, this event is an invitation to pause, reconnect, and tap into the timeless power of the breath.

World Breathing Day Director, Rabie Hayek, shared: “This year's theme, 'Reconnect & Breathe Together' represents our shared commitment to human reconnection, cultivating personal wellness and magnifying global unity. Breathing is the universal language that binds us all; it connects us to ourselves and to each other, transcending cultural, religious and geographic boundaries.”

How to Participate in World Breathing Day:

[REGISTER here](#) for a FREE ticket to our Euro & North America Zoom Event on April 11th OR [CLICK HERE](#) for a FREE ticket to our Spanish Zoom Event on April 12th.

Attend Local Events: Look for in-person gatherings in cities worldwide, where communities will come together to practice conscious breathing techniques guided by experienced breathwork professionals.

Join Virtual Sessions: Participate from anywhere in the world with online sessions led by acclaimed breathworkers, who will guide group exercises designed to calm, center, and energize.

Participate in our social media 10 Breath Challenge on IG, Facebook and TikTok! Make a video of you breathing 10 conscious breaths with someone or a group and post it on your social media. For more information visit the [IBF Website](#).

About the International Breathwork Foundation:

Founded in 1994, the IBF is a global nonprofit dedicated to raising awareness about the benefits of conscious breathing. Through research, events, and a vast membership of breathworkers worldwide, the IBF aims to foster personal and collective well-being across cultures and continents.

On April 11th, from wherever you are, let's RECONNECT & BREATHE together!

Some of the benefits of conscious breathing:

- It is a stress management and nervous system regulation Master tool
- Creates an increased vibrancy and feeling of health & an empowered well-being
- Assists in regenerating breathing abilities after health challenges/recoveries
- Supports increased immunity
- Releases and prevents trauma
- Teaches better overall self-regulation and management of hyper-activity
- Creates improved focus immediately
- Amplifies unity and makes unifying a visceral feeling
- Sensitizes people to the shared oneness of humanity with simple practices
- Fosters a positive impact on physical, mental, emotional and spiritual well-being
- Breathing together creates flow states, peace and harmony
- It teaches us a path to cultivating peace and sharing it in our communities

Please share and hold events in your part of the world, raising consciousness around this great and FREE power! The more of us who consciously breathe together, the more we contribute to a better, healthier world.
