

# Ridge Banks Rocks 2025 with Electrifying New Single “Doors”

NASHVILLE, TN, UNITED STATES, March 18, 2025 /EINPresswire.com/ -- After an award-winning year that saw him crowned “US Artist of the Year” by the Elite Music Awards and land another Top 10 spot for “Best Male Artist” at the IAMA and the WSA, Nashville’s own singer songwriter [Ridge Banks](#) is back on the charts—this time with a hard-hitting rock song called “[Doors](#).”

This powerhouse track brings together an all-star lineup of musicians from both Nashville and the UK, delivering a Wall of Sound experience that doesn’t hold back. From the opening crash of thunder and rain, “Doors” sets an intense tone, propelled by Mark Haynes’ explosive drumming and Nick Plews’ driving basslines. Add in Niki Colwell Evans’ soaring backup vocals

Ridge Banks

with the masterful, layered guitar work of Doug Leonard, and this track is an absolute force.

Lyrically, “Doors” is deeply personal. Penned by Ridge Banks himself, this song explores the long-term spiritual blindness that comes with childhood trauma, struggling to find clarity, unable to see the true meaning of life and all its wonders. Only by shining light to this darkness can we heal and see Doors where we once saw Walls.

“

The depth Ridge's lyrics and the authenticity of his sound resonate deeply, capturing the emotional journey of healing and self-discovery.”

*Gene Foley, President of Foley Entertainmentmentment*
