EAST GARAFRAXA, ONTARIO, CANADA, April 8, 2025 /EINPresswire.com/ -- Imagine a summer afternoon: the soft hum of bees, rows of lavender swaying gently in the breeze, and a glass of wine or chilled lavender lemonade in hand. At [Hereward Farms](https://www.herewardfarms.com) in East Garafraxa, this is the setting for Sip, Savour & Stroll, an intimate three-day experience scheduled for July 24 to 26, 2025.

Located just over an hour from the Greater Toronto Area (GTA) in the rolling countryside of Dufferin County, Hereward Farms offers a seasonal celebration of Ontario agriculture. During Sip, Savour & Stroll, visitors can enjoy curated afternoon picnics surrounded by over 6,000 lavender plants and 400,000 sunflowers.

“

This event isn't about big crowds—it's about offering a unique and serene escape, where guests can truly take in the magic of our farm.”

*Julie Thurgood-Burnett*

The event is limited to 50 guests per day to maintain a tranquil and elevated atmosphere. The format emphasizes quiet enjoyment, quality local food, and open-air

experiences amid the farm's vibrant summer bloom.

## A Taste of the Region

Each guest receives a picnic box packed with regional fare, including gourmet charcuterie, artisanal baked goods, and house specialties infused with on-site lavender. Beverages include handcrafted lavender teas, lavender lemonade, and a curated selection of wines poured by Cox

Creek Cellars, who will be onsite for the event.

Picnic seating is arranged throughout the fields with shaded setups featuring rustic wooden tables, picnic blankets, and cozy cushions. These scenic spots are designed to encourage slow dining, meaningful conversation, and appreciation of the surrounding landscape.

### Music, Photography, and Floral Ambiance

Throughout the event, acoustic performances from local musicians will provide a gentle musical backdrop, enhancing the relaxed pace of the afternoon without overwhelming the senses.

Fulford Photography will be available onsite to capture the experience through optional mini-photo sessions. Guests can schedule portraits or candid moments in the lavender and sunflower fields, making the event popular for couples, families, and friends seeking meaningful keepsakes.

### Lavender Lounge + Boutique Open to Guests

The farm's Lavender Lounge + Boutique will also be open during Sip, Savour & Stroll. The boutique features Hereward Farms' full line of lavender-infused skincare and home products, all created using ingredients cultivated on the property. Guests can learn more about the product creation and explore options ranging from essential oils and body lotions to natural candles and linen sprays.
