“

"Renting gear should be just as smooth as booking an Airbnb. With our rental suite, we've created a platform that makes outdoor exploration more accessible, trusted, and hassle-free."

Travis Rice

□□ A New Era of Adventure Gear Rentals

SENDY's rental suite is designed to make renting gear as easy as booking a vacation, with features including:

- Interactive Map & Calendar Views – Users can search for gear by location, view availability, and book with just a few taps.
- Seamless Payment & Booking Management – All transactions, reservations, and chats are handled securely within the SENDY app.
- Trusted Community & Secure Transactions – Renters can connect with verified users, backed by SENDY's secure

payment processing and superior customer support.

□ Support for Operators & Individuals – Whether you're an outdoor rental shop or an individual with extra gear, SENDY provides a fully integrated system to list, manage, and optimize rentals.

"Renting adventure gear should be just as smooth as booking a hotel or a car," said Travis Rice, Co-Founder of SENDY. "With our rental suite, we've created a platform that makes outdoor exploration more accessible while ensuring a trusted and hassle-free experience for both renters and owners."

□ Unlocking the Multi-Billion-Dollar Outdoor Rental Market

SENDY: Built by Athletes for Athletes

The outdoor gear rental industry is experiencing massive growth, fueled by rising consumer demand for:

On-demand access to gear instead of expensive purchases.

Sustainable alternatives to traditional ownership.

Convenient digital solutions for adventure travel.

With 1.5M+ annual shoppers and a growing community of verified renters and owners, SENDY's rental suite is perfectly positioned to capture this booming market.

□ Expansion Plans & Future Innovations

SENDY's rental suite launch is just the beginning, with future enhancements including:

AI-powered pricing optimization for rental operators.

On-demand delivery & pick-up partnerships for seamless transactions.

Expansion into global adventure hotspots, making it easier than ever to rent gear wherever the adventure leads.

"Our goal is to make renting sports gear as effortless as possible," said Cam Zink, Co-Founder of SENDY. "We're building a platform that gives users confidence in every transaction, whether they're renting from a local shop or another outdoor enthusiast."
