John T. Peters

The inspiration for this book came from John's lifelong habit of jotting down Greek proverbs he heard throughout his life. Raised in a large Greek family with roots in the Peloponnese near Sparta, John was surrounded by the warmth, traditions, and wisdom of his heritage. His passion for sharing these sayings led to an unexpected collaboration with Pamela, a dedicated advocate for Greek culture. Fluent in Greek and deeply connected to her ancestry, Pamela was instantly drawn to the project. Over time, their shared love for Greek traditions and humor transformed their collection of proverbs into a book that captures the spirit of Greek life.

John T Peters is a travel industry expert and co-founder of Zeus Tours, a company that helped tens of thousands of travelers experience Greece over a span of 15 years. With a deep-rooted

passion for Greek culture, John previously authored "Marketing on Main Street," a book for small business owners.

Pamela Dovellos, a graduate of Indiana University's nursing program and former ER nurse, has always had a heart for helping others. However, her deep love for the Greek language, traditions, and community led her to co-author this book. She sees it as a meaningful way to preserve and pass on the wisdom of past generations.

More than just a collection of sayings, Greek Proverbs and Sayings is a celebration of shared experiences, laughter, and timeless wisdom. Whether readers recall hearing these phrases around the dinner table or are discovering them for the first time, the book fosters a sense of connection to Greek culture and traditions.
