“

It is with this in mind that I initiated a means for new and budding writers to have a chance for their creative efforts to be seen and acknowledged.”

L. Ron Hubbard, Contest founder

L. Ron Hubbard created the Contest in 1983, writing in the Introduction to Writers of the Future Volume 1, “It is with this in mind that I initiated a means for new and budding

writers to have a chance for their creative efforts to be seen and acknowledged.”

Based on the Writing Contest's success, its sister Contest, Illustrators of the Future, was created

five years later to provide aspiring artists with the same opportunity.

The awards gala culminates a week-long workshop taught by several of the biggest names in science fiction and fantasy writing and illustration. The writers' workshop will be led by coordinating judge, Jody Lynn Nye ("Mythology" series), and Tim Powers ("On Stranger Tides"), with guest instructors Kevin J. Anderson ("Dune" prequels), Orson Scott Card ("Ender's Game"), Nina Kiriki Hoffman ("The Thread That Binds the Bones"), Katherine Kurtz ("Deryni" Series), Todd McCaffrey ("Dragonsblood"), Rebecca Moesta ("Crystal Doors"), Larry Niven ("Ringworld"), Robert J. Sawyer ("The Downloaded"), and S.M. Stirling ("Draka" Series). Illustrators will be taught by Echo and Lazarus Chernik, with guest instructors Laura Freas Beraha, Craig Elliott, Brian C. Hailes, Brittany Jackson, Rob Prior, and Irvin Rodriguez, plus a live video presentation by Ciruelo, Bob Eggleton, Larry Elmore, and Dan dos Santos.
