

Swab-its® Introduces New 6.5mm Bore-tips®: Precision Cleaning Solution for Rifles and Firearms Enthusiasts

The 6.5mm Bore-tips® are specifically engineered for firearms with 6.5mm barrels

SPRINGFIELD, MA, UNITED STATES, March 24, 2025 /EINPresswire.com/ -- Swab-its®, a trusted brand under Super Brush LLC and a leader in firearm cleaning technology, is proud to announce the launch of its latest innovation: the 6.5mm Bore-tips®. Designed to meet the needs of rifle owners, these cleaning tips deliver superior performance, precision, and convenience, setting a new standard for firearm maintenance.

The 6.5mm Bore-tips® are specifically engineered for firearms with 6.5mm barrels, including popular calibers like 6.5 Creedmoor and 6.5 Grendel. As an evolution of Swab-its' renowned Bore-tips® product line, these reusable cleaning tools provide a tight fit and 360-degree contact within the barrel, ensuring thorough cleaning without the risk of lint or fibers left behind by traditional patches.

Key Features of the New 6.5mm Bore-tips®:

- **Custom Fit:** Perfectly sized for precision 6.5mm barrels, ensuring optimal cleaning performance.
- **Durable and Reusable:** Washable and reusable up to multiple times, offering an eco-friendly and cost-effective alternative to disposable patches.
- **Lint-Free Design:** Made from durable foam material that leaves no fibers behind, safeguarding the integrity of your firearm.

Swab-its brand new 6.5mm Bore-tips cleaning swab

- Universal Compatibility: Works seamlessly with standard cleaning rods and jags for effortless integration into your current cleaning routine.

"At Swab-its, we understand the importance of proper firearm maintenance for both performance and safety," said Michael Lecrenski, Marketing Manager at Swab-its. "Our new 6.5mm Bore-tips® reflects our commitment to providing innovative solutions that simplify the cleaning process while delivering unmatched results. We're excited to offer a tool that meets the needs of firearm enthusiasts, hunters, and precision shooters alike."
