A-Wax 1 Million Drops Sultry New Single 'Baby'"

TACOMA, WA, UNITED STATES, March 26, 2025 /EINPresswire.com/ -- Driven by a deep love of his city, family, and fans, emerging artist A-Wax 1 Million is determined to leave a lasting mark on the music industry—proving that anything is possible with the right mindset, resilience, and talent.

Growing up in the turbulent Hilltop neighborhood of Tacoma, Washington wasn't easy. His incarceration forced him to step back from a dark path, reexamine his choices, reignite his passions, and channel his energy fully into his artistry. Influenced by West Coast rap legends like 2Pac, Snoop Dogg, Dr. Dre, and many others, his

music blends laid-back vibrations with hard-hitting beats—the kinds that rattle one's speaker. He masterfully fuses hip-hop, rap, and pop to craft a signature style marked by introspective bars and silky-smooth melodies. With new music videos on the way spotlighting the tracks of S.Y.S.D and S.Y.S.D 2, A-Wax 1 Million is not just making a name for himself—he's uplifting Tacoma's music scene—urging his fellow musical creatives to “get back to work,” and show off their vibrant creative voices to the rap world and beyond.

As a standout track off S.Y.S.D (So Young So Dumb), “Baby” is the product of a stellar collaboration with a childhood friend. Built upon a sultry, laid-back beat, the track chronicles his journey to this moment—touching on his struggles with incarceration and his drive to put Tacoma on the musical map. The stripped-back instrumentation lets his vocals float effortlessly over the beat, drawing listeners in with an unmistakable mix of confidence and allure. For the ladies, he's a shoulder to lean on, someone to confide in—all they have to do is be there in the

moment with him. It's a perfect introduction to his versatile musical style—weaving the infectious elements of pop and hip-hop without over-exhausting them or relying on musical precedents. "Baby" stands all on its own, and one thing is clear—A-Wax 1 Million is the "link that was missing," and now that he's here, he's not just joining the game—he's redefining it.

The accompanying "Baby" music video amplifies the sultry, sexy atmosphere of the track to the max. Created in collaboration with AFNF visuals, it's just A-Wax 1 Million and his "baby"—lost in the moment and enjoying every second of it. Deep red lighting soaks the video in an unmistakable late-night atmosphere—transporting viewers to a

place reminiscent of the back room of a luxurious strip club. Though the production is simple, the featured dancer is impossible to look away from—her moves are nothing short of hypnotic as she dances around A-Wax 1 Million sitting like a king on his throne. Yet, there's an underlying sense of authenticity—he doesn't forget where he came from and how hard he's worked to get here. As a seasoned artist with over 12 years in the rap game, he's on the brink of something big—and this is just the next chapter in his rise to stardom.
