

Global Villa Leader Isle Blue Unveils Exclusive Hawaii Collection

Isle Blue, a global luxury villa rental platform, has announced its official expansion into Hawaii with the addition of a new portfolio of high-end villas.

WAXHAW, NC, UNITED STATES, April 1, 2025 /EINPresswire.com/ -- [Isle Blue](#), a global luxury villa rental platform, has announced its official expansion into Hawaii with the addition of a new portfolio of [high-end villas](#) located on the island of Kauai. The move marks a strategic development in Isle Blue's ongoing growth into sought-after destinations worldwide.

Villa Kaiholo, Hawaii

The Hawaii collection includes a range of private villas selected for their architectural design, prime locations, and suitability for a range of travel needs. The properties span from oceanfront estates to secluded retreats, each offering features designed to support guest comfort and privacy.

“

Hawaii has been a destination of interest for our clients for some time. This expansion allows us to meet demand while maintaining the service and quality standards that define our platform.”

Robert Kadijevic, CEO of Isle Blue

“Hawaii has been a destination of interest for our clients for some time,” said Robert Kadijevic, CEO of Isle Blue. “This expansion allows us to meet demand while maintaining the service and quality standards that define our platform.”

[The villas](#) are available for a variety of travel occasions, including travel with family and friends and special celebrations. The addition of these properties aligns with Isle Blue's broader focus on expanding its presence in key luxury travel markets.

Isle Blue provides support services for each booking, including concierge coordination, access to

in-villa amenities such as private chefs and spa treatments, and participation in the company's rewards program for returning clients.

About Isle Blue

Isle Blue is the ultimate luxury villa rental and vacation management company, offering discerning travelers a curated selection of the world's most exceptional properties.
