The highly anticipated M4Max Challenge returns in 2025, with registration officially opening on Monday, April 7

NEWBURY, OH, UNITED STATES, March 28, 2025 /EINPresswire.com/ -- The highly anticipated M4Max Challenge returns in 2025, with registration officially opening on Monday, April 7. This unique virtual Masters pool offers community members the chance to compete for exciting cash prizes while supporting [Camp Ho Mita Koda](#), the nation's first and oldest operating summer camp for children living with [Type 1 Diabetes](#).

The event was founded by Chris Mikolay, a dedicated Type 1 Diabetes advocate and longtime supporter of Camp Ho Mita Koda. Inspired by his son Max, who was diagnosed with Type 1 Diabetes, Mikolay created the M4Max Challenge as a way to combine his love of golf with a meaningful cause. Over the years, the event has experienced remarkable growth, bringing together a global community of nearly 4,000 participants annually and raising critical funds to support life-changing camp experiences for children with diabetes.

“When I started a Masters pool many years ago, I had no idea it could become such a force for good,” said Chris Mikolay, M4Max Challenge founder. “Every year I’m astounded by the generosity of our community and how the pool continues to grow. Last year we had participants from 4 continents, 12 countries and 48 states. I believe it must be the largest – and certainly the most charitable – Masters pool on planet earth.”

Golf fans and supporters are encouraged to take part in this impactful and exciting event. Registration opens Monday, April 7 at <https://max.propelmg.com/>
