Message from DC Gomez:

In this climate full of uncertainties and fears, I would like to add a piece of joy to people's life. Books have always been my escape and place of peace. When I wrote *Death's Intern*, I was in a very dark place in my career. I found myself depressed, unfulfilled and hating everything I was doing. This group of characters changed my life and brought so much joy to my days. My goal is to share it with the world.

About *Death's Intern*:

Death's Intern is book one in the humorous Urban Fantasy Series *The Intern Diaries*. Isis Black is thrown into a supernatural world she didn't know existed, and learns the hard way the Horsemen are real. Her world will never be the same. If you love quirky characters and action-packed adventure with lots of sass, dive in now!
