About Everything Cooperative

Everything Co-op is a Talk Show that airs on WOL 1450 AM, Radio One's premiere talk radio station. The primary purpose of the show is to share information about the cooperative movement, including how to form, manage and maintain cooperatives. Cooperatives have played a critical role in providing an opportunity for people or groups to leverage a large volume of products or commodities, which ultimately reduces cost and improves quality.. The objective of Everything Co-op is to share information with individuals that will empower them to either form their own cooperatives, or support cooperatives and other fair trade enterprises.
