Aesthetic Associates Centre Building

Founded by the late Dr. Samuel Shatkin Sr. and now led by his son, board-certified plastic surgeon [Dr. Samuel Shatkin Jr.](#), Aesthetic Associates has built a legacy of excellence. The Centre brings together world-class surgical skills and a comprehensive aesthetic philosophy, offering a full spectrum of plastic surgery, skin care, and non-invasive treatments like [Botox®](#), Dysport, Jeuveau and the newest product, Daxxify—all in one location.

Supported by a highly trained team of medical and aesthetic professionals, the Centre provides treatments designed to enhance natural beauty and promote long-term wellness. Through continuous investment in advanced technologies and provider education, Aesthetic Associates remains at the forefront of innovation in cosmetic care.

The Centre is also home to the Aesthetic Learning Academy—its dedicated training platform for healthcare professionals committed to excellence in aesthetics.

Now entering its 37th year, Aesthetic Associates Centre remains a cornerstone of Buffalo's medical and cosmetic community, committed to delivering cutting-edge care and life-changing results for the next generation.
