

# Logistics Plus Once Again Ranks Among Transport Topics 2025 Top 100 North American Logistics Companies

*Logistics Plus was also named a Top Dry Storage Warehousing Firm and a Top Freight Brokerage Firm again.*

ERIE, PA, UNITED STATES, April 15, 2025 /EINPresswire.com/ -- Logistics Plus, Inc. (LP), a global leader in transportation, logistics, and unique supply chain solutions, is proud to announce that it has been named to the annual Transport Topics Top 100 list of North America's largest logistics companies based on gross revenue for the most recent 12-month period. [Logistics Plus moved up two positions in the rankings to the 80th spot.](#) It's the third straight year that Logistics Plus has been named to the list. Logistics Plus also ranked as the 32nd largest dry storage warehousing firm (up from 38th last year) and the 66th largest freight brokerage firm (same as last year).

Transport Topics 2025 Top 100 Logistics Company

"In addition to enduring a stubbornly slow freight market recovery, the largest third-party logistics providers in North America are now navigating supply chain uncertainty stemming from tariffs and rapidly shifting trade policies," said Seth Clevenger, managing editor of features and multimedia at Transport Topics. "Despite these challenges, the industry's top 3PLs have been boosting freight efficiency and building more resilient supply chains in a changing world."

“

We say yes to any supply chain challenge, opening up new opportunities for our people and customers.”

*Jim Berlin*

"Our DNA is logistics," said Jim Berlin, Founder and CEO of Logistics Plus. "As we have grown, today we have ten million feet of warehousing in North America and more globally, we do software development, we transport everything from pallets to rockets around the world. We say yes to any supply chain challenge, opening up new opportunities for our people and customers."
