Mexico Bariatric Center

“

We understand that the decision to undergo weight loss surgery is a significant one, and we want to provide potential patients with all the information they need to make an informed choice.”

*Ron Elli, Ph.D., Managing
Director of Mexico Bariatric
Center*

The seminar will provide attendees with comprehensive information about various bariatric and plastic procedures, including the gastric balloon, endo sleeve, gastric sleeve, RNY gastric bypass, mini-gastric bypass, duodenal switch, SASI, SADI, revisional procedures, and Mommy Makeover. They will also learn about the advantages of choosing Mexico Bariatric Center for their weight loss journey, such as cost-effectiveness, access to experienced surgeons, and the state-of-the-art [Hospital Azar®](#).

"Our Atlanta seminar will offer a unique opportunity to learn directly from our experts and hear firsthand accounts from individuals who have successfully achieved

their weight loss goals through our program," said Ron Elli.

Seminar Highlights:

- Presenters: Ron Elli, Ph.D., alongside MBC's inspiring past-patient affiliates, Sarita and Rena, will be the presenters.
- Expert Presentation: You will learn first-hand information on different bariatric and cosmetic procedures and their benefits.
- Q&A Session: Get personalized answers to your questions from our team of experts.
