FEAR-NONE® Launches Exclusive New Collection of American Civil War-Inspired Belt Buckles — 1000% USA-MADE

CHICAGO, IL, UNITED STATES, April 16, 2025 /EINPresswire.com/ -- FEAR-NONE®, the iconic American motorcycle gear and lifestyle brand, is proud to announce the launch of its latest drop: a collection of ultra-tough, historically-inspired belt buckles based on designs from the American Civil War era. As with every FEAR-NONE product, these new buckles are 1000% designed and made in the U.S.A., from concept to creation—with zero compromise.

Forged from a single piece of aircraft grade aluminum, with the same grit and attitude that defines the FEAR-NONE clothing brand, these belt buckles pay tribute to American strength, heritage, and independence. Built for riders, rebels, and real ones, they embody the raw spirit of FEAR-NONE clothing, its brand, the road and the soul of the USA nation.
