*Album Pre-order Plus Title Track Are Available Now; Lead Single "When I Fall" Breaks Into Radio's Top 10 After Surpassing 200 Million Views on TikTok Alone*

NASHVILLE, TN, UNITED STATES, April 18, 2025 /EINPresswire.com/ -- RIAA Platinum®-selling, Dove Award-winning [Katy Nichole](#) announces the Aug. 15 release of her highly anticipated, [Centricity Music](#) sophomore album, *Honest Conversations*, which is available to pre-order/save/add now through <https://katynichole.lnk.to/HonestConversations>. The 12-song album includes today's (April 18) release of the title track at digital and streaming outlets everywhere plus the lead single, "When I Fall," which is already a Top 10 and climbing Billboard radio hit.

Nichole's *Honest Conversations* was produced by GRAMMY-nominated Jeff Pardo and follows three back-to-back No. 1 hits at radio with singles from her record-breaking debut album, *Jesus Changed My Life*. Largely inspired by Nichole's conversations with God, the new album reflects her unabashed honesty and impeccable artistry that has made this 24-year-old one of Christian music's fastest-rising talents.

“

I hope this record makes people feel like they're getting a big hug when they're going through something. Life is messy and complicated, but there is still so much beauty to be found.”

“When I wrote [‘Honest Conversations,’](#) it was me wrestling with my relationship with God,” reveals Nichole, who has shared her struggle with depression and anxiety. “If I’m so loved by God, why do I still have this much pain? I look in the mirror and don’t like who I see, and I’m frustrated by my mental health struggles, and in the same breath, I’d say I’m thankful I’ve gone through what I have because it made me the person I am today. I don’t want God to take away certain aspects, I just want to know he’s there. And it feels like there are a lot of moments I can’t find him. ‘Honest Conversation’ is asking the question, ‘where are you God?’

“I hope that people find healing in these songs on Honest Conversations, and find peace in whatever storm they are walking in,” continues Nichole. “Life is full of ups and downs, and at the end of the day, we get to find joy in all of these places. It’s hard to do that sometimes, but healing takes time. I have just begun the next chapter of my healing journey, and I hope this record makes people feel like they’re getting a big hug when they’re going through something. Life is messy and complicated, but there is still so much beauty to be found.”

The first radio single and concept music video revealed from Honest Conversations, “When I Fall,” has already become a soundtrack for millions. To date, clips of the song have been heard more than 200 million times on TikTok alone and shared by over 200 thousand other creators on the social platform.

Nichole has sung “When I Fall” along with her No. 1 singles and fan favorites at packed venues across the country. Continuing to traverse 14 states leading up to the release of Honest Conversations, her itinerary comprises a dozen concerts on the Jesus Music Tour with Cain followed by fairs and festivals this summer, including a “K-LOVE Live in New York” event Aug. 8 with TobyMac and Jeremy Camp and a concert at “The World’s Largest Christian Music Festival at the Ark Encounter” Aug. 23.
